Introduction of our product [Natural Aqua Gel Cure]

Our product [**Natural Aqua Gel Cure**], which was launched in Japan in 2003, has features such as using [activated hydrogen water] (instead of purified water) for water that accounts for 91% or more of its components. Featured in more than 100 magazines, it won first place in the 2005 "Scrub·Peeling" category of Japan's largest cosmetics word-of-mouth site 「@cosme」, and has been awarded the 「@cosme best award」 multiple times since then. We have been driving the Japanese horny care market, which is crowded with about 150 brands, in terms of both popularity and sales.

After that, even after moving the sales channels overseas, it became a hot topic in each country. Its popularity is proven in the fact that it has been awarded the 「Brand of the Year」 in the health and beauty category of the international award 「World Branding Awards」 given to the world's outstanding brands. for the fourth consecutive year. The award-winning brands are evaluated in three ways: brand value, consumer market research, and general online voting. 70% of the scoring process is based on consumer voting.

Currently, our product [**Natural Aqua Gel Cure**] is sold in more than 22 countries, and is extremely popular and favored among consumers all over the world.
